Dear Parents,

Welcome to New England Pre-Primary School. I would like you and your child to settle down into our school life as easily as possible, and so I have a few hints to help the transition.

1. Please **mark all** belongings with your child's name.
2. Please provide your child with a suitcase he/she knows how to open and close, and which is **large enough** for him/her to pack by him/herself.
3. Please teach your child from Day 1 that the Message Book is his/her responsibility.
4. Please dress your child in clothes he/she knows how to manage i.e. if he/she does not yet know how to do a zip, choose clothes without zips etc.
5. Please teach your child that his/her shoes must be taken off and placed in his/her locker before climbing the outdoor structures.
6. Please familiarise your son with the urinal in an easy-going manner before he joins us in January.
7. Please use slops and Velcro shoes whenever possible until you have taught your child to tie his/her own shoelaces.
8. Please send your child's snack in a plastic lunch box. It would be a good idea to teach your child how to open and tighten a juice bottle top, and lunch box lid. Your child's name must be on his/her lunch box and juice bottle. (A separate lunch box and juice bottle is required for aftercare)
9. Please teach your child that his/her shoes, socks etc., are to be put into his/her locker for safe keeping. These items will then reach home at the end of the day! **THE STAFF ARE NOT RESPONSIBLE FOR YOUR CHILD'S BELONGINGS.**
10. **NO TOYS** may be brought to school. This keeps the teachers and assistants happy, as it eliminates tears, search parties and annoyed parents when the toy breaks or disappears.
11. Please pack a sun hat into his/her suitcase every day for outdoor play, remembering to mark it with your child's name.
12. Please pack a set of spare clothes daily.
13. On hot days the sprinkler is switched on in the garden. Please pack a costume or spare underwear and a small towel.

These are all very simple, yet important tasks that will make your child feel that he/she is grown-up and independent. In the past all the teachers have spent many hours pacifying a child because of a simple problem. We will continue to reassure your child when necessary, but it will certainly help if you could prepare your child incidentally by giving them suitable suitcases, snack boxes, snack etc. When new children arrive, a simple thing like not being able to open/close a suitcase can become a big problem for the child.

Let's avoid these feelings of "I can't do it" by preparing our children before they get here.

We look forward to seeing you all after the December holidays.

Sincerely

Toni Puttick

WHAT YOU WILL FIND AT NEW ENGLAND PRE-PRIMARY

School Hours : 7.15am to 12.30pm

STAFF

New England Pre-Primary School is a Specialised Independent School for young children catering for the pre-primary and Grade (R) years. The teachers, all specialists in this field, are dedicated and ready to guide the children to develop socially, emotionally, physically and intellectually. These teachers all work together, helping to plan the educational programme, implement it and evaluate its success. The Principal as well as the five teachers each have a group of children with whom to observe and plan activities, where an active fun approach is used to enhance the growth of the children through work and play.

PROGRAMME

The programme is structured in such a way that there is time for each teacher to be with the children individually as well as in groups. The teachers are there to talk with the children, share ideas and listen as they make decisions and evaluations. There are many opportunities for the children to choose and start their own activities with a wide range of play materials.

The children may play outdoors on our tractor, sandpit, climbing structures and other playground equipment. They may decide to explore the Fantasy Area where they can dress up or act out different roles. The children may choose to work in the Art Area with painting, cutting and sticking, or they can work quietly with Lego, construction kits, puzzles or blocks in the Cognitive Room or learn a new skill in our Fringe Area.

2012 saw the introduction of CAPS (Curriculum and Assessment Policy Statement) around which our lessons are planned. These lessons fall under three main headings:

Life Skills which include; Creative Arts (both visual and performing arts); Beginning Knowledge and Personal and Social Wellbeing (e.g. colours, days of the week, my body); Physical Education (e.g. Locomotor, rhythm, balance, spatial orientation, sports and games).

Mathematics incorporates Space and Shape (Geometry; e.g. shapes, sorting, symmetry); Numbers, Operations and Relationships (e.g. counting, sequencing); Data Handling (e.g. pictographs, classification); Measurement (e.g. mass, size, capacity); and Patterns, functions and relationships, (e.g. patterning)

Home Language English covers Emergent reading, emergent writing, listening and speaking.

Each lesson is age appropriate and encourages plenty of talking and creative decision making. The children are encouraged to become actively involved in each lesson - exploring the various concepts using all their senses to reach their own solutions.

Through this "hands on" approach we believe, as Pre-Primary specialists, that the children learn many important life skills. The children learn to share and tolerate opinions, offer suggestions, make choices, adapt to changes and accept consequences by working in this flexible and sociable school environment. Their problem solving skills, thinking skills and language skills are developed by the content and themes we incorporate into the programme.

SPECIAL DAYS

Our Arts and Crafts Festival is three days of learning new arts and crafts. The children get to choose from at least 16 different crafts and learn how to use the correct materials to complete items such as sun dyeing, candle making, batik, marbling, clay work, bead work, fabric painting etc.

PREPARATION FOR FORMAL SCHOOLING

The overall programme we offer at our school provides many opportunities for the children to do pre-maths and pre-reading activities without actually teaching reading and writing, which is done in Grade (1). We set aside time in each day for the pre-school and Grade (R) children to work on a more structured programme. We also maintain close links with the local primary schools in order to facilitate the child's transition to formal schooling.

FAMILY INVOLVEMENT

We believe that our children benefit most from our programme if the parents, older brothers and sisters and other family members know and actively support the programme. New England Pre-Primary prides itself in being a "family" school.

New England Pre-Primary School has over the years built up an enviable reputation for the extent of the parent involvement in the running and maintenance of the school. The school relies on the parents to help with various tasks, and events during the year. Parents with suitable skills may be called to assist where necessary. We need **ALL** parents to get involved in these endeavours so that we are not forced to increase fees substantially. Although the demands made by the school are not onerous, the help given by the parents is an essential ingredient in the successful functioning of the school.

The staff also make themselves available to every parent to discuss their child's progress during informal chats, consultations, parent evenings and contact with parents during school excursions.

School excursions depend on the generosity of the parents as they supply private transport for each outing. We try to arrange outings that relate to our themes and they vary from a visit to the museum to a safari. Parents may supply a small treat **with a healthy snack** on these outings.

At New England Pre-Primary we try our best through constant parent contact and our stimulating daily programme to create for each child the best possible learning environment. We really do care about each family and the school is seen as an extension of the child's warm, caring home environment where they can feel safe, secure and happy. All we ask from each family is that we work together to give every child the best possible start to his / her school career.

Our school has a waiting list so you are advised to make application in good time - it is never too early to apply. Parents and children wishing to visit the school for tours and interviews are invited to pop in or to phone the Secretary at the following address or telephone number:
